EVONA LITE

"Evona Lite has been very helpful for us by opening new talent pipelines as well as managing the candidate experience more efficiently and professionally. Both of which have saved my HR team considerable time and energy that we can redeploy elsewhere."

HERMEUS

"We're in a very competitive market and we're grateful for the exposure that EVONA's reach has given us. We've seen more success with the headhunting service as our roles require more of a niche search approach."
